## ST. VINCENT de PAUL

After Jesus was baptized, he saw the Spirit of God descending like a dove and a voice was heard “This is my beloved Son, with whom I am well pleased”. As we give to the poor, we can also hear these same words.

*As you give your gift to the Society of St. Vincent de Paul, know that you are a sign of God’s love to those who are suffering and you give them reason to believe and to trust.*

## ATTENTION EUCHARISTIC MINISTERS

The diocese has lifted the restrictions on offering the Sign of Peace and Communion from the Chalice. Beginning this weekend, all Eucharistic Ministers are asked to check their schedules and pick up a medallion if you're on the schedule. Thanks for volunteering for this ministry.

It goes without saying that throughout the year, all should still be considerate and use common sense if there is some concern of sickness:

- Stay home if you are sick.
- If there are sick in your midst, plead with them to go home for the good of the rest.
- **Remember the 3 Cs:**
  - **Clean** – Clean your hands regularly with soap and water or use alcohol based sanitizer.
  - **Cover** – Cover your mouth when you cough or sneeze. Use tissues and dispose of properly.
  - **Contain** – Germs, avoid touching your mouth, eyes, or nose and stay home when you are sick.

### LITURGICAL PRAYER

#### Baptism Journey

Every baptism is a new beginning. It is the first formal step on the journey to being a full and complete Christian. Is that journey ever complete? Probably not. We continue Sunday after Sunday to be molded into the Body of Christ.

Actually, the season of Lent has as its purpose the renewal of our baptism commitment. The more we understand this approach to the sacrament of baptism, the more we will appreciate the importance of our weekly experience of a faith community. That's what connects us and supports our spiritual growth.
