Dear Parishioners and Parents,

The dream is now a reality! Good Shepherd Catholic School will open a Preschool and Pre-K for 3 and 4 year olds in August 2012.

We appreciate the support and direction that Parish Council and School Board have offered us during our planning process.

Many of the preschools in our diocese began with donations of time and talent. Now, it is time to ask your help in completing this dream.

- Do you have gently used preschool size furniture, toys, or books?
- Are you a garage sale guru who finds great bargains?
- Would you like to contribute financially to this new parish mission?

We need your help in furnishing our classrooms. Every donation enables us to do more with our resources. Please review the list on the back of this letter and see if one of these needs fits you. Look for our "Little Rams" bulletin board in the Narthex of church. Please take a little ram of your choice and bring that item to the school office.

We are also looking for people who can build some of the needed items such as a balance beam, sensory, lego, or train tables. If you would like to make a tax deductible donation, we will gladly add that to one of our larger purchases. Please contact Judy VanHoosier at 476-4477 or jvanhoosier@evdio.org if interested. All donations will be received at the school office during school hours.

We are so excited to offer this educational opportunity to our children. Please consider helping our dream become a reality!

Sincerely,

Father Zach Etienne

Judy VanHoosier
