About the Speaker

Bob Jones has been married to Betty for 50 years. They have two children and four grandchildren.

Bob and Betty attend Abundant Life Church in Newburgh and are founders of Fresh Word Ministries which was founded to assist area churches and ministries as an ancillary mission in southwestern Indiana, northwestern Kentucky, and southeastern Illinois. Together, they mentor men and women who struggle with addictions and relational brokenness.

Bob's strong foundation of faith and the power of the Holy Spirit has allowed him to share his wisdom on love and intimacy in a Christ Centered marriage . You may have seen him on the tennis courts at Tri-State Athletic Club, speaking at marriage and family seminars, or on the golf course. He has organized four conferences, currently preparing for "Equipping the Pillars" on March 9th, and has spoken at local Promise Keepers men's breakfasts.

Bob says, "Be warned. I am going to knock your socks off—take you out of your comfort zone, but give you and your spouse deeper intimacy. There are four points to a broken marriage: one is that the flesh is desperately wicked, the second is the Enemy, third is that the world offers too many varieties to sin, and the fourth, well, you're just going to have to come and hear...look forward to seeing you on the 18th!" *Bob Jones*
