

Good Shepherd Parish – Wedding Guidelines

- All couples, please contact Mary Dimmett at (812) 477-6972 at least one month prior to your wedding.
 - Mark Schmitz, Director of Worship, needs to be contacted at 618-5986 as soon as possible regarding the music. It is imperative that Mark be contacted whether or not he provides the music.
 - Due to liability, you **may not** throw anything outside church (birdseed, rice, confetti, grass seed, flower petals, balloons, etc.)
 - If your flower girl throws real flower petals walking down the aisle, you are required to use an aisle runner.
 - Unity & Memorial candles, small floral arrangements, and mother's candles can be used. Good Shepherd Church does not supply these candles or holders. The two altar candles must remain by the altar. All candles used for the ceremony must have glass chimneys.
 - All seasonal decorations/flowers, such as Christmas and Easter, must remain up throughout the liturgical season. The Christmas season is from Christmas until the Baptism of Jesus, the third Sunday after Christmas, and the Easter season is from Holy Saturday until Pentecost.
 - Greenery and flowers currently being used will stay unless otherwise stated by the couple about to be married. Any changes must be approved through Father Zach.
 - Unless there is a scheduling problem (i.e. a funeral Saturday morning), you may arrange to set up any special decorations Friday afternoon. Please schedule a specific time with the parish office staff for entrance into the church on Saturday.
 - Any decorations used in church during your wedding must be put up by you and taken down by you before Good Shepherd's Saturday evening mass (5:30 pm).
 - The time of your wedding ceremony can be no earlier than 12:00 pm (noon) or later than 2:00 or 2:30 p.m., if Liturgy of the Word Service only.
 - Eating, drinking or smoking is NOT allowed anywhere inside the Church building.
-
